## Winter Band Day Program

Please join us on January 21, 2012 as we present our **Winter Band Day!** The *Southwest Community Concert Band* conceived the **Winter Band Day** program in 1995. The program was and continues to be a musical outreach program for our band. As the band is mostly comprised of adult members, we view junior high school music students as our 'future members'.

The *Southwest Community Concert Band* thought it was important that students have a rewarding musical experience in their early years, thus we created **Winter Band Day**.

As many of the members of the *Southwest Community Concert Band* are music educators, instructors and/or performers, so we have the educational resources necessary to run this type of musical program.

Offering **Winter Band Day** in conjunction with NazArts affords us the opportunity to use their facilities in providing a truly rewarding and fun musical experience.

Register today for **Winter Band Day**, be a part of fun-filled day of music!

\* Participants must have completed (1) one full grade or year of band lessons
